### What's Matcha

Written by : Sayo Watanabe

Do you know what's Matcha?

Matcha is Japanese green tea. Not only that, Matcha is super food for our health.

800 years ago, it is said Eisai Zenshi brought back tea seeds from Song in China, which is the source of the current tea culture in Japan. They drank tea with powdered, it was same way to drink Matcha. Uji is close to the capital of Kyoto in Japan. The fog, it called "The river fog of Uji" and the warm climate are said to be suitable for tea cultivation, so it has developed significantly.

In the Muromachi period, matcha become the culture of Japan by Sen no Rikyu. Many Samurai loved to drink Matcha.

Now, matcha is not just a drink. It used for many sweets or foods, it called "Matcha Flavor".

After that, Matcha has 6 special effects. It is Obesity prevention, Anti-Aging, Relax, Dementia prevention, Beautiful skin, and Prevention of tooth decay. Matcha was made from tea leaves and it was grinded into powder. So we can get all nutrients of tea, so easily. Matcha is best medicine for us.

If you want to be a healthy, you can try Matcha!!

### New staff in International Sales Division

Ms. Sayo Watanabe

Year : 3 months / In charge : Southeast Asia

● Why did you choose this job?

I studied Indonesian for 4 years at university in Chiba. I wanted to use my language skills in work and interested in work related to overseas.

In addition, I love countryside. For that reason, I backed to my hometown, and I found this job.

● Do you enjoy work?

I am enjoying my work. It is because I am doing a job that interests me. For example, trade. I am just only 2 months since I joined the company, but I would like to be a familiar with trade. In addition, sometimes I can use Indonesian. It is my big motivation now.

● Which country do you like?

I like Indonesia because I was studying abroad in Indonesia for 1 year. I like Indonesian foods. Especially, Soto. It is a kind of chicken soup rice and so delicious! Not only that, but I also love the atmosphere and personality of Indonesian. They are so kind and friendly. Life in Indonesia is so match for me. I think Indonesia is the country can relax.

● What do you want to be in terms of work?

I want to be able to prepare for trading from scratch by myself, but I don't have enough knowledge now. For that, I have to study trade and trade term. Not only that, I want to continue studying English and Indonesian so that I can use them at work.

● What has changed since you started working?

I went to bed early at the same time every day and started getting up early!

When I was university student, my lifestyle habit was not too good for health.
